3) SCN issued on dt: 08/01/2020.
4) Visit of Board Officials dtd. 20/02/2020.
5) Action proposal approved by HQ vide Legal Unique No. MPCB-LEGAL_ACTIONS- 311219010, dtd. 12/03/2020.

WHEREAS, you are operating your industry in Water & Air pollution prevention area declared under Water (P&CP) Act, 1974, Air (P&CP) Act, 1981. **AND WHEREAS**, Board has granted consent to your industry subject to certain terms & conditions therein. **AND WHEREAS**, it is obligatory on your part to comply those conditions and provide necessary water & air pollution control devices and operate them continuously and efficiently so as to meet the standards prescribed by the Board at all times.

AND WHEREAS, Sub-Regional Officer MPC Board Thane-I has reported following non-compliance during their visit are as follow:-

1. You have not maintained daily production activity record.
2. Spent acid generated from nitration process is disposed to M/s VAL Organics, Gujrat. Disposal records and consent / permission details spent acid were not found for reference.
3. Scrubber provided for nitration process reactor is of very small size & observed to be unscientific.
4. You have failed to provide process stack vent for scrubber and not provided any sampling arrangement.
5. You have not provided scrubber as APC for spent acid storage tank thus peculiar nitric smell observed around the area of this open tank.
6. You have failed to provide sampling arrangement to Stack attached to thermopack also stack found corroded at top.
7. During visit it is informed that treated effluent is used for cooling makers, boilers & remaining for gardening. However no permanent fixed pipeline provided for reuse of effluent and no recycled water tank is demarcated in the plant.
8. You have failed to provide Scientific hopper bottom settling tank & sludge drying bed in ETP.

8. You have disposed HW i.e ETP sludge less than that of consented quantity and failed to maintain its disposal details.
9. Your prime raw material is crude Di Chlorobenzene which is procured from M/s. Arati industries, Vapi, M/s. Val Organics, Vapi & M/s. Deepak Nitrite, Baroda their consent details, supply bills, MSDC Sheet, Characteristics reports not found for reference. You have failed to submit specific information regarding source of generation of this raw material from the above-mentioned industries i.e form which process this is generated.
10. You have not provided separate energy meter for ETP & APC system.
11. SRO-Thane-I vide letter dated 11.02.2020 have instructed to comply with consent conditions and suggested upgradation/ modifications but you failed to comply.

AND WHEREAS, after examining all the reports and records available with this office, I have come to the conclusion that you are knowingly and willfully violating the consent conditions under the provisions of Water (P&CP) Act, 1974 and Air (P&CP) Act, 1981.

AND NOW THEREFORE, in the exercise of the powers conferred u/s 33A of Water (Prevention & Control of Pollution) Act 1974, and 31A of Air (Prevention & Control of Pollution) Act, 1981. I, Regional Officer, MPCB, Thane hereby directed to close down your manufacturing activities, within 72-hours taking all precautionary measures for safe closure, It shall be noted that competent authorities are hereby directed to disconnect your electricity and water supply.

In case of your failure to comply these directions, further suitable action which may be deem fit, as per the provisions of the Environmental Act's will be initiated against your unit, which may please be noted.

This is issued with the approval from competent authority of Board.

Dr. R.A. Rajput
