Dear Sir,

Please refer to our On line Amendment Application for change of Fuel from HSD to PNG.

While reviewing of existing consent we realized that there 2 more amendments are required to reflect changes in consent terms.

One of old Generator is replaced and Vegetable products are included along with Fishery products.

These amendment will not change effluent quantity & characters.

We therefore wish to withdraw submitted application and promptly submit New Amendment application.

We humbly request to kindly grant permission to withdraw above referred application so that new application can be submitted promptly.

Thanking you in anticipation.
