LETTER OF BIO-MEDICAL WASTE AUTHORISATION

[Authorization for Generation of Bio-Medical Wastes under Rule 7(4)]

File number of authorisation and date of issue I. MPCB/SROK-I/BMW_AUTH/1905000291

Date: | 4

- M/s. CHIRAYU CHILDRENS NURSING HOME & II. CENTRE is hereby granted an authorisation for generation of biomedical waste on the premises situated 1st Floor, Margasheersh, Opp Agarwak Half, Manpada Road, Dombivali (E) -421201, Dist -Thane.
- This authorization shall valid for a period up to 30.04.202 in application shall III. made by the occupier/operator for renewal 3 Months before expiry of earlier authorisation.
- This authorisation is issued subject to compliance of the conditions stated IV. below and to such other conditions is may be specified in the Rules for the time being in force under the Environment (Protection) Act, 1986.
- V. No of Beds: 15 (Fifteen)

Terms and Conditions of authorization

- MANDAR R. PAWAR, shall comply with the 1. The "authorized Person" DR provisions of the Environment Protection) Act, 1986, and the Rules made there under.
- 2. The authorization stall be produced for inspection at the request of an officer authorized by the prescribed authority i.e. Member Secretary, MPCB.
- change in equipment or working conditions as mentioned in the Any unauthorize application by the person authorized shall constitute a breach of this authorization.

rization is granted for generation of Bio-Medical Waste (BMW) in waste ntition listed here in helour

Category	Type of Waste	Type of Bag or Container to be used	Quantity Kg/Month	Treatment and Disposal options
1	2	3	4	5
Yellow	(a) Human Anatomical Waste: Human tissues, organs, body parts and foetus below the viability period (as per the Medical Termination of Pregnancy Act 1971, amended from time to time).	Yellow coloured non- chlorinated plastic bags	1	CBMWTSDF, Kalyan.

Section Section 1988

No onsite treatment of BMW is permitted. The above mentioned Bio Medical Waste shall be sent to Common BMW Treatment and Disposal facility authorized by MPCB for Kalyan (KDMC).

5. The liquid solid waste generated from the treatment activity (from laborator) and washing, cleaning, housekeeping and disinfecting activities) shall be treated suitably by providing effluent treatment facility to conform the sandards prescribed in Schedule V of said Rules and the Environment (Protection)

BMW shall not be mixed with other wastes or reused or solid in any form.

- (ii) BMW shall be segregated into containers / bags at the point of generation in accordance with Schedule-II prior to storage, treatment and disposal. The containers shall be labeled according to Schedule III.
- (iii) If a container containing BMW is to be transported from the premises where BMW is generated to any waste treatment facility outside the premises, the container shall, apart from the Label prescribed in Schedule III, also carry information prescribed in Schedule IV and shall be transported by authorized Transporter only.

MPCB-BMW_AUTH-0000020979

- (iv) Notwithstanding anything contained in the Motor Vehicles Act, 1988 or Rules there under, BMW shall be transported only in such vehicle as may be authorized for the purpose by the competent authority as specified by the Government.
- (v) No untreated BMW shall be kept stored beyond a period of 48 hours.
- (vi) Necessary protective gear for the waste handlers shall be provided by the hospital authority.
- You shall ensure proper collection of mercury spillage arising mainly (vii) due breakage monometer of the pressure \quad gauzes (sphygmomanometers) other equipments used in health care for as well as its storage in accordance with the Hazardent waste (Management & Handling) Rules (presently these Rules and be read as 'Hazardous Waste (Management & Handling and Movement)Rule, 2008) and returning it manufactures apart from necessary taking steps to ensure that the spilled mercury does not become as part of bio-nedical or other solid waste generated form the HCFs.
- vii) Authorized person shall obtain prior permission form MPCB for generation & disposal, of Bio-Medical waste quantity of category specified exceed the limits authorized at condition No. 4 above.
- 7. i) You shall submit an Annual Report to the prescribed authority in Form-4 by 31st January every year including information about the categories and quantities of BMW handled during the preseding year.
 - ii) You shall maintain evoids related to the generation, collection, reception, storage, transportation, treatment, disposal and/or any form of handling of BMW in accordance with the Rules and any guidelines issued.
 - iii) All records shall be subject to inspection and verification by the prescribed Authority at any time.
 - 8. When any acceptent occurs at any institution or facility or any other site where BMW is handled or during transportation of such waste, the authorized person shall report the accident in Form III to the prescribed authority forthwith.
 - 9. This authorization is issued subject to condition as mentioned below.
 - You shall submit compliance of authorization conditions every six months to Sub-Regional Office Kalyan1.
 - You shall provide Annual report in Form-4 duly certified by facility operator.
 - iii) You shall provided valid copy of registration under Bombay Nursing Home Act.
 - iv) You shall obtain Consent to Operate from Board under Water (P &CP) Act, 1974 and Air (P &CP) Act, 1981, forthwith.
 - v) The Occupier will obey all the lawful instructions issued by the Board Officers from time to time.

- The Hospital shall not carry any expansion, change, Addition, Modification, vi) and Modernization in the existing set up till to obtain prior permission from the Board.
- 10. The Hospital Authority shall furnish Bank Guarantee of Rs. 25, 000/- having validity up to 30.08.2022 drawn in favor of Regional Officer, MPCB, Kalyan towards compliance of conditions of authorization within 15 days from date of issuance of the authorization as per Circular of MPCB, HQ, Mumbai vide letter No. MPCB/PSO/BMW/B-1825 dtd.10.04.2013.
