LETTER OF BIO-MEDICAL WASTE AUTHORIZATION

[Authorization for Generation, Segregation, Storage of Bio-Medical Wastes under rule 7(4)]

- I. File number of authorization and date of issue
MPCB/SRO-AHMEDNAGAR/BMW_AUTH/1802000300 Date: 16th Feb. 2018
- II. M/s. Orthocare Clinic (01 beds) is hereby granted an authorization for generation of biomedical waste on the premises situated At. Girme Building, Girme Chowk, Shivaji Road, Tal. Shrirampur, Dist. Ahmednagar - 413709.
- III. This authorization shall be in force for a period up to 30/09/2018. An application shall be made by the occupier/operator for renewal 3 Months before expiry of earlier authorization.
- IV. This authorization is issued subject to compliance of the conditions stated below and to such other conditions as may be specified in the Rules for the time being in force under the Environment (Protection) Act, 1986.
- V. No of Beds: 01 (One Beds).

Terms and Conditions of authorization

1. The authorized Person shall comply with the provisions of the Environment (Protection) Act, 1986, and the Rules made there under.
2. The authorization shall be produced for inspection at the request of an officer Authorized by the prescribed authority.
3. i) The authorized person shall not rent, lend or sell the biomedical waste or facility.
ii) The authorized person can transfer the BMW generated at above premises to the "Transporter" or "Operator of Facility" authorized by MPCB under Bio-Medical Waste (Management and Handling) Rules, 1998 for collection, transportation, treatment and/or disposal of BMW generated.
4. Any unauthorized change in equipment or working conditions as mentioned in the application by the person authorized shall constitute a breach of this authorized on.
5. It is the duty of the authorized person to take prior permission of the prescribed authority to close down the facility.

6. The authorization is granted for generation of Bio-Medical Waste (BMW) in waste categories and quantities listed here in below :

Sr. No.	Category	Quantity	UOM	Treatment & Disposal
1.	Cat-4 Waste Sharps	1.0	Kg/M	Bio medical Waste shall be sent to Common BMW Treatment & Disposal facility authorized by MPCB
2.	Cat-6 Solid Waste	4.8	Kg/M	Bio medical Waste shall be sent to Common BMW Treatment & Disposal facility authorized by MPCB
3.	Cat-8 Liquid Waste	0.1	Lit./D	Bio medical Waste shall be sent to Common BMW Treatment & Disposal facility authorized by MPCB

7. The liquid/solid waste generated from the treatment activity (from laboratory and washing, cleaning, housekeeping and disinfecting activities) shall be treated suitably by providing effluent treatment facility to conform the standards prescribed in Schedule V of said Rules and the Environment (Protection) Act, 1986.
8. All Central Government Hospitals and health Centers are advised to gradually phase out mercury containing equipment's (Thermometer, BP Instruments, etc.) and replace them with good quality non mercury equipment's, in order to prevent the toxic effects of mercury on patients and health care workers. It is recommended that a mercury phase out plan be developed to start procurement of new equipment which is mercury free.
9. Until the mercury based equipment's are fully phased out following guidelines will be used for management of Mercury Waste.
- (a) As mercury Waste is a hazardous waste, the storage, handling, treatment and disposal practices should be in line with the requirement of Government of India's Hazardous waste (Management, Handling and Trans-boundary Movement) Rules 2008, which may be seen at website www.cpcb.nic.in.
- (b) Mercury-contaminated waste should not be mixed with other biomedical waste or with general waste. It should not be swept the drain and wherever possible, it should be disposed of at a hazardous waste facility or given to a mercury-based Equipment manufacturer.
- (c) Precaution should be taken not to handle mercury with bare hands and as far as possible; jewellery should be removed at the time of handling mercury. After handling mercury, hands must be carefully washed before eating or drinking. Appropriate personal protective equipment.(rubber gloves, goggles/face shields and clothing) should be used while handling mercury.

[Handwritten signature]

- (ii) All records shall be subject to inspection and verification by the prescribed authority at any time.
15. When any accident occurs at any institution or facility or any other site where BMW is handled or during transportation of such waste, the authorized persons shall report the accident in Form III to the prescribed authority forthwith.
16. The Board reserves the rights to add/amend/revoke any condition in this application and the same shall be binding on the applicant.
17. The Board can refuse/cancel your authorization in case of violation of provisions of BMW Rules -Bio medical waste management.
18. The Occupier will obey all the lawful instructions issued by the Board Officers from time to time.
19. This authorization should not be construed as exemption from obtaining necessary NOC/Permission from other Government agencies/Statutory Bodies.
