- 4.** The One Time Authorisation granted as per the provisions under section 13 (2), C of the Rules.
- 5.** The authorisation is subject to the following general and specific conditions:

A. General conditions of authorisation:

1. The authorised person shall comply with the provisions of the Environment (Protection) Act, 1986, and the rules made there under.
2. The authorisation shall be produced for inspection at the request of an officer authorised by the State Pollution Control Board.
3. The person authorised shall not rent, lend, sell, transfer or otherwise transport the hazardous and other wastes except what is permitted through this authorisation.
4. Any unauthorised change in personnel, equipment or working conditions as mentioned in the application by the person authorised shall constitute a breach of his authorisation.
5. The person authorised shall implement Emergency Response Procedure (ERP) for which this authorisation is being granted considering all site specific possible scenarios such as spillages, leakages, fire etc. and their possible impacts and also carry out mock drill in this regard at regular interval of time.
6. The person authorised shall comply with the provisions outlined in the Central Pollution Control Board guidelines on "Implementing Liabilities for Environmental Damages due to Handling and Disposal of Hazardous Waste and Penalty".
7. It is the duty of the authorised person to take prior permission of the State Pollution Control Board to close down the facility.

8. The imported hazardous and other wastes shall be fully insured for transit as well as for any accidental occurrence and its clean-up operation.
9. The record of consumption and fate of the imported hazardous and other wastes shall be maintained.
10. The hazardous and other waste which gets generated utilisation of imported hazardous or other wastes shall be treated and disposed of as per specific conditions of authorisation.
11. The importer or exporter shall bear the cost of import or export and mitigation of damages if any.
12. An application for the renewal of an authorisation shall be made as laid down under these Rules.
13. Annual return shall be filed by June 30th for the period ensuring 31st March of the year.

B. Specific conditions:

1. The importer shall furnish the required information as per **Form 6** to the Customs authorities, accompanied with the copy of authorisation obtained from Board in addition to those listed in Schedule VIII of the Hazardous & Other Waste (M & TM) Rules, 2016, wherever applicable.
2. The import is permitted only on behalf of actual user having consent from State Pollution Control Board / traders having registration from SPCB. In case of high sea sales by importer the bill of entry shall be filled by actual user / authorised trader. The importer shall submit quarterly report including quantity of Waste and scrap imported with documents for Bill of lading, Bill of entry, quantity sold to scrap dealer / actual users. The manifest system as per rule 19(1) in the Form No. 10 shall be implemented after reporting imported scrap at ports.
3. The importer shall obtain a letter / certificate from the actual user / registered trader of SPCB stating that the importer is importing the hazardous waste on his behalf. All the imported hazardous waste shall be directly transferred to the actual user from the port directly or through registered importer.
4. They shall obtain necessary permission from MPC Board for temporary storage of Scrap if intended to store the material in Maharashtra.
5. In case of illegal import or import other than mentioned in Part-D of Schedule-III of the Hazardous & Other Wastes (Management & Transboundary Movement) Rules, 2016, the waste has to be re-exported by the importer at his own cost within a period of 90 days from the date of its arrival in India.
