**Ref: - Application for Grant / Reject of BATTERY DEALER
MPCB-BATTERY_DEALER-0000002588**

Sir,

You have applied for grant of BATTERY DEALER and same is received this office on web portal. This office has scrutinized your application and observed that you need to apply for Hazardous Waste Authorization for obtaining Authorization as 'Actual user of hazardous waste' from MPC Board as per provisions of Hazardous Waste under Hazardous & Other Wastes (M &TM) Rules, 2016 for the recycling / re-processing of lead acid battery scrap instead of Battery Dealer. Hence, your application is refused /returned for resubmission of Hazardous Waste authorization under Hazardous & Other Wastes (M &TM) Rules, 2016.

Yours Faithfully,

(Karansingh A. Rajput)
