Sub: Amendment in capital investment in Consent to Establish granted.

Ref: 1) Industry application vide AUN No. MPCB-Consent- 0000073981.  
2) Consent to operate granted on 23.07.2019.

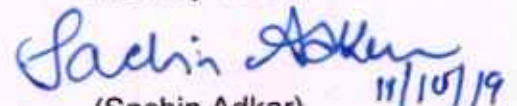

Sir,

With reference to above captioned subject matter, industry has submitted application vide under ref. no.1, for amendment in capital investment in consent establish granted. In the submitted application remarks for amendment column, industry mentioned that "we have mentioned capital investment of the project Rs. 250 Lakhs. Whereas in the consent to Establishment granted mentioned as Rs. 408 Lakhs, now requested to correct & issue amendment in capital investment in consent to Establishment.

Thereafter, the Board has granted consent to operate on 23.07.2019, which is valid upto: 31.05.2023 having capital investment of Rs. 370 Lakhs. However, after grant of consent to establish, it was necessary to apply for amendment in capital investment, but industry had not did the same and after grant of consent to operate applied for change in capital investment in previous Consent Establish granted. The capital investment figures mentioned in the application and incorporated in the consent to operate are different.

As industry has obtained consent to operate, hence the application, submitted for amendment in capital investment in consent to Establish previously granted by the Board cannot be considered at this juncture.

Sincerely Yours,
