Sub: Refusal of Consent Amendment under Section 27 of the Water (Prevention & Control of Pollution) Act, 1974 and Section 21 (4) of the Air (Prevention & Control of Pollution) Act, 1981.

Ref: 1. Your application for Consent Amendment dated 23/03/2026 (UAN No. MPCB-CONSENT_AMMENDMENT-0000019982 & MPCB-CONSENT_AMMENDMENT-0000019985).

2. Board Circular regarding "Applications for Amendment in Consent" dated 25/08/2025.

WHEREAS, you have applied for an amendment to your existing Consent under the provisions of the Water (Prevention & Control of Pollution) Act, 1974, and the Air (Prevention & Control of Pollution) Act, 1981.

AND WHEREAS, the Board has scrutinized your application and the technical aspects of the proposed changes. It is observed that the amendment module is strictly reserved for administrative or minor corrections, such as typographical errors, changes in industry name, or specific shifts in hazardous waste disposal paths, as defined in the Board's Circular dated 25/08/2025.

AND WHEREAS, the Circular explicitly mandates that any requests involving significant changes in operational parameters, waste generation quantities, or treatment aspects must be routed through the regular consent application process (Consent to Establish/Operate) with the payment of appropriate consent fees, rather than the simplified amendment module.

AND WHEREAS, it is noted from your application that the proposed changes regarding water consumption and effluent generation aspects (Domestic and Industrial) do not fall within the permissible scope of the "Amendment" category as per the current regulatory framework.

IN VIEW OF THE ABOVE, your application for grant of Consent to Operate (amendment) is hereby REFUSED under Section 27 of the Water (P&CP) Act, 1974

and Section 21(4) of the Air (P&CP) Act, 1981. You are advised to apply for a fresh/amended Consent to Operate through the regular application module as per the applicable norms.

If you are aggrieved by this order, you may prefer an appeal as per the provisions of the Water (P&CP) Act, 1974 and the Air (P&CP) Act, 1981 within **30 days** from the date of receipt of this letter.
