Minutes of 188th meeting of SEAC-1 (Day-1)

Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

Following members of SEAC-1 were present for videoconference.

1. Shri. Umakant Dangat - Chairman
2. Shri. Arvind Dhole - Expert Member
3. Shri. K.M.Shah - Expert Member
4. Shri. P.P.Nandusekar - Expert Member
5. Shri. S.N.Patil - Expert Member
6. Shri. Abhay Thakur - Expert Member
7. Shri. Hemant Sahasrabuddhe - Expert Member
8. Shri. Abhay Pimparkar - Secretary

The minutes of the meeting are finalised during videoconference. Due to present pandemic situation minutes could not be physically signed.

Minutes of 188th meeting of SEAC-1 (Day-1)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

1. Proposal No. **SIA/MH/MIN/161184**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 161184 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat in river Paingaga located at Survey No. 5, 7, 8 over an area of 2.25 Ha at Village Kodashi (Kh.) , Tal. Korpana, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. The Public hearing was conducted on 03.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. In LD-VC-CW No. 202/2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Chandrapur to submit revised DSR prepared as per Sustainable Sand Mining Guidelines issued by MoEF&CC in 2016 and Enforcement & Monitoring Guidelines of Sand Mining issued by MoEF&CC in January 2020.
2. DMO Chandrapur to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, mine area with domesnions, location of bio toilets, location of CCTV cameras, fencing, , approach road etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
8. PP to submit revised EMP showing budgetary allocation and implementation plan for all Environmental Parameters as well as implementation of proposed mitigation measures and issues raised during public hearing.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.
10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.

11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to ensure uniformity in the information given in the Form 1/1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-1)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

2. Proposal No. **SIA/MH/MIN/161468**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 161468 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat in river Wardha located at Survey No. 145, 146, 147 over an area of 1.75 Ha at Village Karanji , Tal. Warora, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

Yes

If yes, Earlier EC No. 000000746 dated 18.02.2019; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. State of Maharashtra & ors. In LD-VC-CW No. 202/2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Chandrapur to submit revised DSR prepared as per Sustainable Sand Mining Guidelines issued by MoEF&CC in 2016 and Enforcement & Monitoring Guidelines of Sand Mining issued by MoEF&CC in January 2020.
2. DMO Chandrapur to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, mine area with domesnions, location of bio toilets, location of CCTV cameras, fencing, , approach road etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
8. PP to submit revised EMP showing budgetary allocation and implementation plan for all Environmental Parameters as well as implementation of proposed mitigation measures and issues raised during public hearing.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to ensure uniformity in the information given in the Form 1/1M, Pre-feasibility report, Approved mining plan & Presentation etc.

8. Proposal No. **SIA/MH/MIN/161513**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 161513 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat in river Uma located at Survey No. 300, 301, 302 over an area of 1.20 Ha at Village Gondeda , Tal. Chimur, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. The Public hearing was conducted on 03.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. In LD-VC-CW No. 202/2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Chandrapur to submit revised DSR prepared as per Sustainable Sand Mining Guidelines issued by MoEF&CC in 2016 and Enforcement & Monitoring Guidelines of Sand Mining issued by MoEF&CC in January 2020.

9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to ensure uniformity in the information given in the Form 1/1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-1)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

14. Proposal No. **SIA/MH/MIN/161563**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 161563 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat in river Wardha located at Survey No. 363, 393, 394 over an area of 1.20 Ha at Village Tulana-2 , Tal. Warora, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. The Public hearing was conducted on 03.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. In LD-VC-CW No. 202/2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Chandrapur to submit revised DSR prepared as per Sustainable Sand Mining Guidelines issued by MoEF&CC in 2016 and Enforcement & Monitoring Guidelines of Sand Mining issued by MoEF&CC in January 2020.
2. DMO Chandrapur to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, mine area with domesnions, location of bio toilets, location of CCTV cameras, fencing, , approach road etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
8. PP to submit revised EMP showing budgetary allocation and implementation plan for all Environmental Parameters as well as implementation of proposed mitigation measures and issues raised during public hearing.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to ensure uniformity in the information given in the Form 1/1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-1)

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Chandrapur to submit revised DSR prepared as per Sustainable Sand Mining Guidelines issued by MoEF&CC in 2016 and Enforcement & Monitoring Guidelines of Sand Mining issued by MoEF&CC in January 2020.
2. DMO Chandrapur to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, mine area with domesnions, location of bio toilets, location of CCTV cameras, fencing, , approach road etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
8. PP to submit revised EMP showing budgetary allocation and implementation plan for all Environmental Parameters as well as implementation of proposed mitigation measures and issues raised during public hearing.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to ensure uniformity in the information given in the Form 1/1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-1)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

21. Proposal No. **SIA/MH/MIN/161294**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 161294 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat in river Uma located at Survey No. 162, 163, 164, 165, 168, 170 of village Ajaypur and Survey No. 31, 32, 33, 34, 35, 36, 57, 58, 59, 60 of village Gondsari over an area of 3.85 Ha at Tal. Chandrapur, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. The Public hearing was conducted on 03.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. In LD-VC-CW No. 202/2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Chandrapur to submit revised DSR prepared as per Sustainable Sand Mining Guidelines issued by MoEF&CC in 2016 and Enforcement & Monitoring Guidelines of Sand Mining issued by MoEF&CC in January 2020.
2. DMO Chandrapur to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.

7. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
8. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
9. PP to submit revised EMP showing budgetary allocation and implementation plan for all Environmental Parameters as well as implementation of proposed mitigation measures and issues raised during public hearing.

10. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.
11. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
12. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
13. PP to ensure uniformity in the information given in the Form 1/1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-1)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

26. Proposal No. **SIA/MH/MIN/161277**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 161277 submitted along with copies of documents seeking the prior Environmental Clearance under the provisions of the EIA Notification, 2006.. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat in river Uma located at Survey No. 74, 75, 76, 77, 80 over an area of 5.00 Ha at Village Lalchichbodi, Tal. Sindewahi, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated …….; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. The Public hearing was conducted on 03.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High Court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020.

During deliberation it was observed that the size of proposed sand ghat is 5.00 Ha which needs to be considered as category "B1" as per para 22 of the order passed by the Hon'ble National Green tribunal on 13.09.2018 in the matter of OA 186/2016, 200/2016, 580/2016, 102/2017,404/2016,405/2016, 520/2016 which reads as below,

".....22. For all these reasons, we direct that the procedure laid down in the impugned Notification be brought in consonance and in accord with the directions passed in the case of Deepak Kumar (supra) by (i) providing for EIA, EMP and therefore, Public Consultation for all areas from 5 to 25 ha. falling under category B2 at par with Category B1 by SEAC/SEIAA as well as for cluster situation where it is not provided……."

In view of above SEAC-1 is of the opinion that, present proposal of sand mining will have to be considered at par with category B1.

PP is advised to apply a fresh as per above mentioned Hon'ble National Green tribunal Order on PARIVESH portal hence decided to recommend the proposal for rejection.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to recommend the proposal for rejection.

CONCLUSION:

Reject

The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat in river Wainganaga located at Survey No. 75, 78, 79, 8 over an area of 5.00 Ha at Village Kolari, Tal. Brahmapuri, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated …….; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. The Public hearing was conducted on 03.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High Court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020.

During deliberation it was observed that the size of proposed sand ghat is 5.00 Ha which needs to be considered as category "B1" as per para 22 of the order passed by the Hon'ble National Green tribunal on 13.09.2018 in the matter of OA 186/2016, 200/2016, 580/2016, 102/2017,404/2016,405/2016, 520/2016 which reads as below,

".....22. For all these reasons, we direct that the procedure laid down in the impugned Notification be brought in consonance and in accord with the directions passed in the case of Deepak Kumar (supra) by (i) providing for EIA, EMP and therefore, Public Consultation for all areas from 5 to 25 ha. falling under category B2 at par with Category B1 by SEAC/SEIAA as well as for cluster situation where it is not provided……."

In view of above SEAC-1 is of the opinion that, present proposal of sand mining will have to be considered at par with category B1.

PP is advised to apply a fresh as per above mentioned Hon'ble National Green tribunal Order on PARIVESH portal hence decided to recommend the proposal for rejection.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to recommend the proposal for rejection.

CONCLUSION:

Reject

Minutes of 188th meeting of SEAC-1 (Day-1)
Date: 22nd to 24th July, 2020

30. Proposal No. **SIA/MH/MIN/161644**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 161644 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006.. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat located in river Andhari at Survey No. 7, 8 over an area of 0.75 Ha at Village Jungaon, Tal. Pombhurna, Dist. Chandrapur by District Mining Officer, Chandrapur.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated …….; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 34 proposals of prior Environmental Clearance for sand mining from six rivers namely Andhari, Wardha, Erai, Uma, Wainganga, Painganga and Khanbala Nallah of Chandrapur District. The Public hearing was conducted on 03.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High Court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020.

As per provision of the rule 19 of the Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013 the minimum area that may be granted under a quarry lease shall not be less than one hector.

During deliberation it was observed that the size of proposed ghat is only 0.75 Ha. which seems to be difficult to comply with the guidelines prescribed in the Enforcement & Monitoring Guidelines for sand mining published by MoEF&CC. The prefeasibility report submitted by the PP is very vague and does not establish feasibility of sand mining on the very small proposed area for 0.75 Ha.

In view of above SEAC-1 decided to recommend the proposal for rejection.

PP is advised to conduct a fresh survey for larger area in the same river bed and prepare pre-feasibility report to ensure its viability and feasibility for sand mining.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to recommend the proposal for rejection.
