Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Proposal No. SIA/MH/MIN/145921	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 145921 submitted along with copies of documents seeking prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Smt. Neeta Anandrao Nikam located at Gut No. 26/4, Village Sanjaynagar (Shere), Tehsil Karad, District Satara for an area of 3.65 Ha.**

Details of earlier EC if any:

Yes

If yes,

Earlier EC No. SEAC-2012/ CR-30/ TC-2 dated 30.11.2012; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

District Mining Officer, Satara was nor present for the meeting. The proposal was appraised based on the information presented by the PP.

During deliberations, PP informed that they have obtained earlier Environmental Clearance on the same land vide No. SEAC-2012/ CR-30/ TC-2 dated 30.11.2012; PP also obtained revalidation of their earlier EC vide letter No. SEIAA/184/121848 dated 23.01.2020 valid up to 28.11.2022.

Now, PP submitted application for fresh prior Environmental Clearance on the same land on which previous Environmental Clearance is still valid upto 28.11.2022.

PP could not explain sufficient reason as to why a fresh application is submitted for the prior Environmental Clearance when the existing Environmental Clearance is valid. PP has not submitted certified compliance of the earlier Environmental Clearance obtained from the Regional Office of MoEF&CC, Nagpur. If PP intends to expand of the stone mining activity on the same land he may submit a fresh application for expansion.

In view of above SEAC-1 decided to recommend the proposal for rejection.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

In view of above, SEAC-1 decided to recommend the proposal for rejection.

CONCLUSION: Reject

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Proposal No. SIA/MH/MIN/148282	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 148282 submitted along with copies of documents seeking prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Shri. Maruti Nana Desai located at Gut No. 288 (p), Village Talewadi, Tehsil Gadhinglaj, District Kolhapur for an area of 1.62 Ha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. ……. dated …..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

PP remained absent

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

PP remained absent, hence deferred.

CONCLUSION:

Defer

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Proposal No. SIA/MH/MIN/147964	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 147964 submitted along with copies of documents seeking Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Smt. Zardust Marzban Bharucha located at Gut No. 712/A (p), Village Lonikand, Tehsil Haveli, District Pune for an area of 3.65 Ha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. …….. dated ……; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

District Mining Officer, Pune was present for the meeting. The proposal was appraised based on the information presented by the PP and District Mining Officer.

During deliberations, it was observed that, PP has not submitted requisite documents required for appraisal and there are many discrepancies found in the documents presented by the PP.

Hence, SEAC-1 decided to defer the proposal.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

In view of above, SEAC-1 decided to defer the proposal till PP submits compliance of following points.

CONCLUSION:

Defer

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Conditions:

1. PP to submit revised project cost along with the CA certificate.
2. PP to submit latest measurement map prepared by the District Superintendent of Land Records for the proposed quarry area. PP to ensure that, the same map shall be used for the preparation of approved mining plan.
3. PP to submit to the scale layout of the land owned by them showing proposed quarry area, dump storage area, internal roads with its width, garland drains, safety zone of 7.5 meter along the periphery showing green belt, shed if any etc. with its dimensions and area statement. PP to superimpose quarry layout map on the measurement map prepared by the Land Record Department..
4. PP to submit details of approach road with its ownership documents and NOC to be obtained from all concern to use their land as road for transportation of vehicles.
5. PP to submit over burden storage, handling and disposal plan.
6. PP to submit revised Environmental Management Plan showing item wise cost break up for each environmental parameter like water, air, soil, noise etc. and provision of bio toilets, water required for green belt development, maintenance of roads, dust suppression, garland drains, fencing, etc.
7. PP to submit details of habitation in the vicinity of the proposed quarry area with its distances and mitigation measures to reduce impact of blasting and quarrying activity on them.
8. PP to submit CER plan to develop social and environmental infrastructure in the Z.P. School of the village in the vicinity of proposed quarry area. The same shall be prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
9. PP to ensure uniformity in the information submitted in the Form 1M, Pre-Feasibility Report, Approved Mining plan, Presentation etc.

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Proposal No. SIA/MH/MIN/147939	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 147939 submitted along with copies of documents seeking Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **M/s Geeta Concrete located at Khasra No. 263/1 & 263/2, Village Nandori, Tehsil Samudrapur, District Wardha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. ……. dated …..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

PP remained absent

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

PP remained absent, hence deferred.

CONCLUSION:

Defer

Proposal No. SIA/MH/MIN/45002	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 45002 submitted along with copies of documents seeking prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Mrs. Pradnya Dnyaneshwar Nimbalkar , Survey No. 324, Village Talegaon, Tehsil Kalmeshwar , District Nagpur for an area of 1.40 Ha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

District Mining Officer, Nagpur was present for meeting. The proposal was appraised based on the information presented by the PP and District Mining Officer.

During deliberations it was observed that, excavation was carried out on the proposed quarry area for which PP was not able to give proper justification.

Hence, SEAC-1 decided to defer the proposal.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

In view of above, SEAC-1 decided to defer the proposal till PP submits compliance of following points.

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

CONCLUSION:

Defer

Conditions:

1. DMO shall visit the site and carry out investigation so as to ascertain whether the excavation on site is carried out after obtaining requisite permission from the competent Authority. DMO shall submit the investigation report through the Additional Collector.
2. PP to submit measurement map prepared by the District Superintendent of Land Records for the proposed quarry area. PP to ensure that, the same map shall be used for the preparation of approved mining plan.
3. DMO, Nagpur to submit revised cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of prosed quarry area along with area map showing distances between adjoining quarries.
4. PP to submit to the scale layout of the land owned by them showing proposed quarry area, dump storage area, internal roads with its width, garland drains, safety zone of 7.5 meter along the periphery showing green belt, shed if any etc. with its dimensions and area statement. PP to superimpose quarry layout map on the measurement map prepared by the Land Record Department.
5. PP to submit details of approach road with its ownership documents and NOC to be obtained from all concern to use their land as road for transportation of vehicles.
6. PP to submit NOC from the bank for utilization of proposed land for stone quarrying as there is mention of bank loan in the other rights column of 7/12 extract.
7. PP to submit revised Environmental Management Plan showing item wise cost break up for each environmental parameter like water, air, soil, noise etc. like provision of bio toilets, water required for green belt development, maintenance of roads, dust suppression, garland drains, fencing, etc.
8. PP to submit CER plan to develop social and environmental infrastructure in the Z.P. School of the village in the vicinity of proposed quarry area. The same shall be prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
9. PP to ensure uniformity in the information submitted in the Form 1M, Pre-Feasibility Report, Approved Mining plan, Presentation etc.

Proposal No. SIA/MH/MIN/148376	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 148376 submitted along with copies of documents seeking prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Shri. Nitin Bhanudas Autade, Gut No. 250/1/5 (p), Village Kauthe Kamleshwar, Tehsil Sangamner , District Ahmednagar for an area of 1.96 Ha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. ……. dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

District Mining Officer, Ahmednagar was present for meeting. The proposal was appraised based on the information presented by the PP and District Mining Officer.

During deliberations it was observed that, there were many discrepancies found in the information presented by the PP.

Hence, SEAC-1 decided to defer the proposal.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

In view of above, SEAC-1 decided to defer the proposal till PP submits compliance of following points.

CONCLUSION:

Defer

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Conditions:

1. PP to submit latest measurement map prepared by the District Superintendent of Land Records for the proposed quarry area. PP to ensure that, the same map shall be used for the preparation of approved mining plan.
2. PP to submit to the scale layout of the land owned by them (8.00 Ha.)showing proposed quarry area, dump storage area, internal roads with its width, garland drains, safety zone of 7.5 meter along the periphery showing green belt, shed , location of crusher if any etc. with its dimensions and area statement. PP to superimpose quarry layout map on the measurement map prepared by the Land Record Department..
3. PP to submit details of approach road with its ownership documents and NOC to be obtained from all concern to use their land as road for transportation of vehicles.
4. PP to submit revised Environmental Management Plan showing item wise cost break up for each environmental parameter like water, air, soil, noise etc. like provision of bio toilets, water required for green belt development, maintenance of roads, dust suppression, garland drains, fencing, etc.
5. PP to submit CER plan to develop social and environmental infrastructure in the Z.P. School of the village in the vicinity of proposed quarry area. The same shall be prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
6. PP to ensure uniformity in the information submitted in the Form 1M, Pre-Feasibility Report, Approved Mining plan, Presentation etc.

Proposal No. SIA/MH/MIN/150553	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 150553 submitted along with copies of documents seeking prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Shri. Sadashiv Yashwant Jadhav located at Survey No. 22/4 & 23/1 (p), Village Katewadi, Tehsil Patan, District Satara for an area of 1.23 Ha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. ……. dated …….; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

District Mining Officer, Satara was not present for the meeting. The proposal was appraised based on the information presented by the PP.

During deliberations, signs of excavation of stones was observed on the proposed quarrying site. PP could not give proper justification for the same.

Hence, SEAC-1 decided to defer the proposal.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

In view of above, SEAC-1 decided to defer the proposal till PP submits compliance of following points.

CONCLUSION:

Defer

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Conditions:

1. DMO to visit the site and conduct an investigation whether was carried out with the permission of Competent Authority without violating requirements of EIA Notification 2006 amended from time to time. DMO shall submit the report through the Additional Collector.
2. DMO, Satara to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed quarry area along with area map showing distances between adjoining quarries.
3. PP to submit certified copies of ownership documents for proposed quarry area.
4. PP to submit proof regarding mention of proposed quarry area in the District Survey Report prepared by the District Auhtority.
5. PP to submit measurement map prepared by the District Superintendent of Land Records for the proposed quarry area. PP to ensure that, the same map shall be used for the preparation of approved mining plan.
6. PP to submit to the scale layout of the land owned by them showing proposed quarry area, dump storage area, internal roads with its width, garland drains, safety zone of 7.5 meter along the periphery showing green belt, shed if any etc. with its dimensions and area statement. PP to superimpose quarry layout map on the measurement map prepared by Land Records Department.
7. PP to submit details of approach road with its ownership documents and NOC to be obtained from all concern to use their land as road for transportation of vehicles.
8. PP to submit revised Environmental Management Plan showing item wise cost break up for each environmental parameter like water, air, soil, noise etc. like provision of bio toilets, water required for green belt development, maintenance of roads, dust suppression, garland drains, fencing, etc.
9. PP to submit details of habitation in the vicinity of the proposed quarry area with its distances shown on the map.
10. PP to submit CER plan to develop social and environmental infrastructure in the Z.P. School of the village in the vicinity of proposed quarry area. The same shall be prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
11. PP to ensure uniformity in the information submitted in the Form 1M, Pre-Feasibility Report, Approved Mining plan, Presentation etc.

Proposal No. SIA/MH/MIN/131693	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 131693 submitted along with copies of documents seeking Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Shri. Sai Rudra Stone Crusher, Khasra No. 374 (p) Village Pandharewadi, Tehsil Daund, District Punefor an area of 3.49 Ha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. ……. dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

District Mining Officer, Pune was present for the meeting and submitted cluster certificate dated 07.07.2020 indicating no cluster formation in the periphery of the proposed quarry area.

The proposal was appraised under category 1(a)B2 based on the information presented by the PP and DMO, Pune.

The capital EMP cost is Rs.43.22 Lakhs and recurring EMP cost is Rs. 23.00 Lakhs.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

In view of above, SEAC-1 decided to recommend the proposal for prior Environmental Clearance subject to the following conditions.

CONCLUSION:

Recommended

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Conditions:

Specific Conditions	
1.	PP to get proposed mine area and 7.5 meter wide safety zone demarcated in presence of DMO before taking any effective steps on site.
2.	PP to develop green belt by planting 1500 nos. of indigenous trees in 7.5 meter wide safety zone on the periphery of the proposed area with facility of drip irrigation and 2500 nos. of indigenous trees along the approach road before taking any effective steps on site.
3.	PP to provide dry compound wall of around one meter along with barbed wire fencing to the mining lease area to ensure safety of animals and humans.
4.	PP to appoint qualified fore man as a Mine Manager approved by Director General of Mines to ensure safety of the staff/labors appointed at mine site.
5.	PP to prepare adequate capacity approach roads to the proposed mine area so as to ensure safe plying of the heavy vehicles engaged on mine site for transport of mined material and to avoid any unforeseen accident. PP to plant trees along the road.
6.	PP to provide movable toilets/ bio toilets to the workers working in the area and the sewage generated shall be properly collected and treated so as to confirm to the standards prescribed by MoEF&CC and CPCB.
7.	PP to provide First Aid facility at the proposed mining site.
8.	PP proposes Jackhammer drilling in proposed quarry. The jackhammer drills produces more noise and do not have inbuilt water injection system. PP to ensure protective measures are provided to reduce noise exposure and dust emission due to drilling and blasting activity.
9.	PP to implement mine closure plan as approved by the competent Authority. PP to provide dry wall of around one meter along with barbed wire fencing to the mining lease area to ensure safety of animals and humans.
10.	PP along with revenue and forest department shall conduct a joint tree survey on site and if any trees needs to be cut PP shall ensure to obtain tree cutting permission from the Competent Authority and ensure compensatory afforestation and transplantation of trees in consultation with the Forest/Revenue department.
11.	The mining lease holder shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora, fauna etc.
12.	PP to obtain all necessary NOC's/Permissions from the competent Authority before commencing any work on proposed site.
13.	PP to ensure that no mining shall be done below the depth as approved in the mining plan.
14.	PP to ensure that, the quarrying is proposed above the level of aquifer to avoid the ground water contamination/degradation of water quality of aquifer. PP to take adequate measures/precautions to avoid contamination /degradation of ground water.

15.	PP to ensure no water stream is diverted due to proposed quarrying activity.
16.	PP to ensure that mining/ loading activity shall be restricted to day hours' time only. No mining activity shall be carried out after sunset and before sun rise.
17.	PP to provide adequate channels to guide the rain water to reach the mined pit and to avoid any unforeseen incident.
18.	PP to adhere to the provisions stipulated Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013, guidelines issued by MoEF&CC and any other legal requirements as applicable to the proposed activity.
19.	PP to ensure strict compliance of all conditions stipulated in the Environmental Clearance. The District Collector and District Mining Officer shall strictly monitor the compliance of the conditions stipulated in the Environment Clearance letter.
20.	PP to ensure that there is no damage to any fauna and its nesting close to the proposed mining area.
21.	PP to ensure that, the overburden be stored on site and shall be used for refilling of mine pit.
22.	PP to ensure that adequate measures like maintenance of roads, sprinkling of water and plantation is carried out to reduce the dust particulate matter pollution.
23.	PP to ensure that public roads are not used for parking purpose. Parking shall be on pre decided place only.
24.	The transportation shall be carried out through the covered trucks only and the vehicles carrying the mineral shall not be overloaded.
25.	PP to provide solar energy, Gents/Ladies sanitation facility, safe drinking water facility in the Z.P. School in village Pandharewadi, Tq. Daund from their CER funds of Rs. 5 Lakhs in consultation with the District Authority.
26.	The District Collector shall ensure proper approach road to the proposed quarry area before granting final mining lease.
27.	The District Collector shall ensure that, the proposed quarry area doesn't falls in the Eco Sensitive area notified by the Government before granting final mining lease.
28.	If the proposed stone quarry mining site is situated within distance of 10 KMs from the Notified Wild Life Sanctuary , then, The District Collector shall ensure that, final mining lease to the PP is issued only after clearance from concern Competent Authority of Forest Department (Wild Life) for cutting of tress and non-forest use of the land.

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Proposal No. SIA/MH/MIN/139669	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 139669 submitted along with copies of documents seeking prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

The project of **Shri. Laxman Bhimrao Bhosale, Gut No. 430 (p) Village Gargotwadi, Tehsil Khed, District Pune for an area of 2.30 Ha.**

Details of earlier EC if any:

No

If yes,

Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

District Mining Officer, Pune was present for the meeting and submitted cluster certificate dated 07.07.2020 indicating no cluster formation in the periphery of the proposed quarry area.

The proposal was appraised under category 1(a)B2 based on the information presented by the PP and DMO, Pune.

The capital EMP cost is Rs.66.64 Lakhs and recurring EMP cost is Rs. 31.01 Lakhs.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

In view of above, SEAC-1 decided to recommend the proposal for prior Environmental Clearance subject to the following conditions.

CONCLUSION:

Recommended

Minutes of 187th meeting of SEAC-1 (Day – 2)

Date : 8th & 10th July, 2020

Venue : Through Videoconference

Conditions:

Specific Conditions	
1	PP to get proposed mine area and 7.5 meter wide safety zone demarcated in presence of DMO before taking any effective steps on site.
2	PP to develop green belt by planting 950 nos. of indigenous trees in 7.5 meter wide safety zone on the periphery of the proposed area with facility of drip irrigation and 1100 nos. of indigenous trees along the approach road before taking any effective steps on site.
3	PP to provide dry compound wall of around one meter along with barbed wire fencing to the mining lease area to ensure safety of animals and humans.
4	PP to appoint qualified fore man as a Mine Manager approved by Director General of Mines to ensure safety of the staff/labors appointed at mine site.
5	PP to prepare adequate capacity approach roads to the proposed mine area so as to ensure safe plying of the heavy vehicles engaged on mine site for transport of mined material and to avoid any unforeseen accident. PP to plant trees along the road.
6	PP to provide movable toilets/ bio toilets to the workers working in the area and the sewage generated shall be properly collected and treated so as to confirm to the standards prescribed by MoEF&CC and CPCB.
7	PP to provide First Aid facility at the proposed mining site.
8	PP proposes Jackhammer drilling in proposed quarry. The jackhammer drills produces more noise and do not have inbuilt water injection system. PP to ensure protective measures are provided to reduce noise exposure and dust emission due to drilling and blasting activity.
9	PP to implement mine closure plan as approved by the competent Authority. PP to provide dry wall of around one meter along with barbed wire fencing to the mining lease area to ensure safety of animals and humans.
10	PP along with revenue and forest department shall conduct a joint tree survey on site and if any trees needs to be cut PP shall ensure to obtain tree cutting permission from the Competent Authority and ensure compensatory afforestation and transplantation of trees in consultation with the Forest/Revenue department.
11	The mining lease holder shall, after ceasing mining operations, undertake re-grassing the mining area and any other area which may have been disturbed due to their mining activities and restore the land to a condition which is fit for growth of fodder, flora, fauna etc.
12	PP to obtain all necessary NOC's/Permissions from the competent Authority before commencing any work on proposed site.
13	PP to ensure that no mining shall be done below the depth as approved in the mining plan.
14	PP to ensure that, the quarrying is proposed above the level of aquifer to avoid the ground water contamination/degradation of water quality of aquifer. PP to take adequate measures/precautions to avoid contamination /degradation of ground water.

15	PP to ensure no water stream is diverted due to proposed quarrying activity.
16	PP to ensure that mining/ loading activity shall be restricted to day hours' time only. No mining activity shall be carried out after sunset and before sun rise.
17	PP to provide adequate channels to guide the rain water to reach the mined pit and to avoid any unforeseen incident.
18	PP to adhere to the provisions stipulated Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013, guidelines issued by MoEF&CC and any other legal requirements as applicable to the proposed activity.
19	PP to ensure strict compliance of all conditions stipulated in the Environmental Clearance. The District Collector and District Mining Officer shall strictly monitor the compliance of the conditions stipulated in the Environment Clearance letter.
20	PP to ensure that there is no damage to any fauna and its nesting close to the proposed mining area.
21	PP to ensure that, the overburden be stored on site and shall be used for refilling of mine pit.
22	PP to ensure that adequate measures like maintenance of roads, sprinkling of water and plantation is carried out to reduce the dust particulate matter pollution.
23	PP to ensure that public roads are not used for parking purpose. Parking shall be on pre decided place only.
24	The transportation shall be carried out through the covered trucks only and the vehicles carrying the mineral shall not be overloaded.
25	PP to provide solar energy, Gents/Ladies sanitation facility, safe drinking water facility in the Z.P. School in village Gargotwadi, Tq. Khed from their CER funds of Rs. 4 Lakhs in consultation with the District Authority.
26	The District Collector shall ensure proper approach road to the proposed quarry area before granting final mining lease.
