Minutes of 188th meeting of SEAC-1 (Day-2)

Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

Following members of SEAC-1 were present for videoconference.

1. Shri. Umakant Dangat - Chairman
2. Shri. Arvind Dhole - Expert Member
3. Shri. K.M.Shah - Expert Member
4. Shri. P.P.Nandusekar - Expert Member
5. Shri. S.N.Patil - Expert Member
6. Shri. Abhay Thakur - Expert Member
7. Shri. Hemant Sahasrabuddhe - Expert Member
8. Shri. Abhay Pimparkar - Secretary

The minutes of the meeting are finalised during videoconference. Due to present pandemic situation minutes could not be physically signed.

Minutes of 188th meeting of SEAC-1 (Day-2)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

1. Proposal No. **SIA/MH/MIN/157148**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 157148 submitted along with copies of documents seeking the prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed located at Survey No. 89, 88, 62, 64, 1, 7, 12 & 66 over an area of 2.16 Ha at Village Pandherwadi , Tal. Paranda, Dist. Osamnabad by District Mining Officer, Osamanabad.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 21 proposals of prior Environmental Clearance for sand mining from six rivers namely Sina, Khairi, Nalli, Ulfa, Cahndani & Manjra in Osamanabd District. The Public hearing was conducted on 08.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal subject to the final decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020 as per order passed on 12.06.2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.(If applicable)

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Osmanabad to submit revised DSR prepared as per Sustainable Sand Mining Guidelines 2016 and Enforcement & Monitoring of Sand Mining Guidelines, January 2020 issued by MoEF&CC.
2. DMO Osmanabad to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, approach road from sand ghat to the sand storage depot with entry and exit gates, proposed mine area with dimensions, location of bio toilets, location of CCTV cameras, fencing, etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit revised impact assessment report along with proposed mitigation measures.
8. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to prepare and submit CER plan for the development of social and environmental infrastructure like provision of sanitary facility, safe drinking water facility nd soalr energy the the nearby Z.P.School prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
13. PP to ensure uniformity in the information given in the Form 1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-2)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

2. Proposal No. **SIA/MH/MIN/157136**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 157136 submitted along with copies of documents seeking the prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed located at Survey No. 18, 12, 13, 107, 108, 109, 110, 111, 112, 113, 114 over an area of 2.70 Ha at Village Chinchapur Bk. , Tal. Paranda, Dist. Osamnabad by District Mining Officer, Osamanabad.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

6. Proposal No. **SIA/MH/MIN/158766**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 158766 submitted along with copies of documents seeking the prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed located at Gut No. 274, 273, 272, 264 at Village Usvad & 387, 388, 389, 391, 401, 402 at Village Devthan over an area of 2.00 Ha Tal. Mantha, Dist. Jalnaby District Mining Officer, Jalna

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 21 proposals of prior Environmental Clearance for sand mining from five rivers namely Purna, Kelha, Girija, Dudhna,Godavari of Jalna District. The Public hearing was conducted on 04.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal subject to the final decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020 as per order passed on 12.06.2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.(If applicable)

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Jalna to submit revised DSR prepared as per Sustainable Sand Mining Guidelines 2016 and Enforcement & Monitoring of Sand Mining Guidelines, January 2020 issued by MoEF&CC.
2. DMO, Jalna to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, approach road from sand ghat to the sand storage depot with entry and exit gates, proposed mine area with dimensions, location of bio toilets, location of CCTV cameras, fencing, etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit revised impact assessment report along with proposed mitigation measures.
8. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to prepare and submit CER plan for the development of social and environmental infrastructure like provision of sanitary facility, safe drinking water facility nd soalr energy the the nearby Z.P.School prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
13. PP to ensure uniformity in the information given in the Form 1M, Pre-feasibility report, Approved mining plan & Presentation etc.

7. Proposal No. **SIA/MH/MIN/158671**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 158671 submitted along with copies of documents seeking the prior Environmental Clearance under the provisions of the EIA Notification, 2006. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed located at Gut No. 264, 263, 261, 258, 257, 256, 255 at Village Usvad & 329, 330, 353, 355, 356, 373 at Village Kandi-Uswad over an area of 3.00 Ha Tal. Mantha, Dist. Jalna by District Mining Officer, Jalna

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 21 proposals of prior Environmental Clearance for sand mining from five rivers namely Purna, Kelha, Girija, Dudhna,Godavari of Jalna District. The Public hearing was conducted on 04.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal subject to the final decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020 as per order passed on 12.06.2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.(If applicable)

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Jalna to submit revised DSR prepared as per Sustainable Sand Mining Guidelines 2016 and Enforcement & Monitoring of Sand Mining Guidelines, January 2020 issued by MoEF&CC.
2. DMO, Jalna to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, approach road from sand ghat to the sand storage depot with entry and exit gates, proposed mine area with dimensions, location of bio toilets, location of CCTV cameras, fencing, etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit revised impact assessment report along with proposed mitigation measures.
8. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to prepare and submit CER plan for the development of social and environmental infrastructure like provision of sanitary facility, safe drinking water facility and solar energy the nearby Z.P.School prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
13. PP to ensure uniformity in the information given in the Form 1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-2)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

8. Proposal No. **SIA/MH/MIN/158570**	Type: **EC**

The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand spot over an extent of 3.5 Ha. at Gut No. 152, 153, 154 at Village Kirla and Gut No. 104, 105,112, 101, 86, 85 at Village Waghada (Kirla-Waghada-2) Tal. Mantha, Dist. Jalna by District Mining Officer, Jalna

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated ……..; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 21 proposals of prior Environmental Clearance for sand mining from five rivers namely Purna, Kelha, Girija, Dudhna,Godavari of Jalna District. The Public hearing was conducted on 04.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal subject to the final decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020 as per order passed on 12.06.2020.

PP has sought separate EC for each sand ghat. The particulars of all sand ghats are not identical therefore, PP is required to submit proposal for each sand ghat separately giving site specific information. Moreover, following sand ghat wise information is also required for proper appraisal of each proposal.

1. Prefeasibility Report (including sand availability, supply demand ratio, replenishment study etc.)
2. Sand ghat closure plan.
3. Sand Ghat specific Public Consultation Report along with point wise proposed mitigation measures for issues raised during Public Hearing.

4. Environmental Management Plan indicating sufficient budgetary provisions for mitigation of identified impacts on all Environmental Parameters.
5. Sand Ghat Site specific enforcement & monitoring plan as per guidelines stipulated in the Enforcement and Monitoring Guidelines for sand mining issued by MoEF&CC in January 2020.
6. Compliance of earlier Environmental Clearance (if applicable)
7. Information about any general or specific order passed by competent Hon'ble court.(If applicable)

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to defer the proposal till PP submits ghat wise individual proposal with all the information as mentioned above and compliance of following points.

CONCLUSION:

Defer

Conditions:

1. DMO, Jalna to submit revised DSR prepared as per Sustainable Sand Mining Guidelines 2016 and Enforcement & Monitoring of Sand Mining Guidelines, January 2020 issued by MoEF&CC.
2. DMO, Jalna to submit cluster certificate with reference to the EIA Notification 2006 amended from time to time with specific remarks on the cluster formation in the periphery of the proposed sand ghat along with area map showing distances between adjoining sand mine areas.
3. PP to submit layout of proposed sand ghat showing area statement, approach road from sand ghat to the sand storage depot with entry and exit gates, proposed mine area with dimensions, location of bio toilets, location of CCTV cameras, fencing, etc.
4. PP to submit details of existing infrastructure within the 1 km radius of the proposed sand ghat.on the area map.
5. PP to submit details of proposed approach road for transport of mined sand from sand ghat to the storage area and consent of the all concern land owners to use their land as approach road..
6. PP to submit cross section of river bed showing distance of proposed sand mine area from the river bank and other details as prescribed in the Enforcement & Monitoring Guidelines for sand mining published in January 2020 by MoEF&CC.
7. PP to submit revised impact assessment report along with proposed mitigation measures.
8. PP to submit point wise compliance of issues raised during the public hearing along with plan to implement the same with the budgetary provision in the EMP.
9. PP to submit details of District Level Task Force committee meetings and status of compliance of its recommendations if any.

10. PP to submit revised replenishment study of sand in the proposed ghat along with details of methodology, technology used to identify the existing reserve and replenishment of the same.
11. PP to submit details of proposed plantation plan along with its location and requisite permission to be obtained from the Competent Authority.
12. PP to prepare and submit CER plan for the development of social and environmental infrastructure like provision of sanitary facility, safe drinking water facility and solar energy the nearby Z.P.School prepared in consultation with the District Authority as per OM issued by MoEF&CC dated 01.05.2018.
13. PP to ensure uniformity in the information given in the Form 1M, Pre-feasibility report, Approved mining plan & Presentation etc.

Minutes of 188th meeting of SEAC-1 (Day-2)
Date: 22nd to 24th July, 2020

19. Proposal No. **SIA/MH/MIN/157160**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 157160 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006.. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat located at Khasra No. 300, 400, 398, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413 over an area of 0.75 Ha at Village Ingonda, Tal. Paranda, Dist. Osmanabad by District Mining Officer, Osmanabad.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated …….; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 21 proposals of prior Environmental Clearance for sand mining from six rivers namely Sina, Khairi, Nalli, Ulfa, Cahndani & Manjra in Osamanabd District. The Public hearing was conducted on 08.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High Court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020.

As per provision of the rule 19 of the Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013 the minimum area that may be granted under a quarry lease shall not be less than one hector.

During deliberation it was observed that the size of proposed ghat is only 0.75 Ha. which seems to be difficult to comply with the guidelines prescribed in the Enforcement & Monitoring Guidelines for sand mining published by MoEF&CC. The prefeasibility report submitted by the PP is very vague and does not establish feasibility of sand mining on the very small proposed area for 0.75 Ha.

In view of above SEAC-1 decided to recommend the proposal for rejection.

PP is advised to conduct a fresh survey for larger area in the same river bed and prepare pre-feasibility report to ensure its viability and feasibility for sand mining.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to recommend the proposal for rejection.

CONCLUSION:

Reject

Minutes of 188th meeting of SEAC-1 (Day-2)
Date: 22nd to 24th July, 2020

20. Proposal No. **SIA/MH/MIN/156989**	Type: **EC**

INTRODUCTION:

This has reference to your online application vide proposal No. 156989 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006.. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat located at Survey No. 639, 638, 637, 635, 623, 622, over an area of 0.45 Ha at Village Bangalwadi, Tal. Paranda, Dist. Osmanabad by District Mining Officer, Osmanabad.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated …….; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 21 proposals of prior Environmental Clearance for sand mining from six rivers namely Sina, Khairi, Nalli, Ulfa, Cahndani & Manjra in Osamanabd District. The Public hearing was conducted on 08.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High Court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020.

As per provision of the rule 19 of the Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013 the minimum area that may be granted under a quarry lease shall not be less than one hector.

During deliberation it was observed that the size of proposed ghat is only 0.45 Ha. which seems to be difficult to comply with the guidelines prescribed in the Enforcement & Monitoring Guidelines for sand mining published by MoEF&CC. The prefeasibility report submitted by the PP is very vague and does not establish feasibility of sand mining on the very small proposed area for 0.45 Ha.

In view of above SEAC-1 decided to recommend the proposal for rejection.

PP is advised to conduct a fresh survey for larger area in the same river bed and prepare pre-feasibility report to ensure its viability and feasibility for sand mining.

INTRODUCTION:

This has reference to your online application vide proposal No. 157468 submitted along with copies of documents seeking the Environmental Clearance under the provisions of the EIA Notification, 2006.. The proposed project activity is listed at Sr. No. 1(a) Mining of Minerals under category B of the EIA Notification, 2006 amended from time to time and the proposal is appraised in the SEAC-1 committee.

PROJECT DETAILS:

Environment Clearance for Proposed sand ghat located at Survey No. 46, 47, 54, 55, 56, 57, 58, 59 over an area of 0.23 Ha at Village Fakrabad, Tal. Washi, Dist. Osmanabad by District Mining Officer, Osmanabad.

Details of earlier EC if any:

No

If yes, Earlier EC No. …… dated …….; PP to submit copy of certified compliance obtained from the Regional Office of MoEF&CC, Nagpur.

DELIBERATIONS IN SEAC:

After deliberations SEAC observed:-

PP has submitted 21 proposals of prior Environmental Clearance for sand mining from six rivers namely Sina, Khairi, Nalli, Ulfa, Cahndani & Manjra in Osamanabd District. The Public hearing was conducted on 08.06.2020. PP submitted Public Hearing report. SEAC -1 appraised the proposal as per order issued by Hon'ble High Court, Nagpur Bench on 12.06.2020 and subject to the decision of Hon'ble High Court, Nagpur Bench in the matter of Dr. Arvind Sorani Vs. State of Maharashtra & ors. in LD-VC-CW No. 202/2020.

As per provision of the rule 19 of the Maharashtra Minor Mineral Extraction (Development and Regulation) Rules, 2013 the minimum area that may be granted under a quarry lease shall not be less than one hector.

During deliberation it was observed that the size of proposed ghat is only 0.23 Ha. which seems to be difficult to comply with the guidelines prescribed in the Enforcement & Monitoring Guidelines for sand mining published by MoEF&CC. The prefeasibility report submitted by the PP is very vague and does not establish feasibility of sand mining on the very small proposed area for 0.23 Ha.

In view of above SEAC-1 decided to recommend the proposal for rejection.

PP is advised to conduct a fresh survey for larger area in the same river bed and prepare pre-feasibility report to ensure its viability and feasibility for sand mining.

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to recommend the proposal for rejection.

CONCLUSION:

Reject

Minutes of 188th meeting of SEAC-1 (Day-2)
Date: 22nd to 24th July, 2020

During deliberation it was observed that the size of proposed ghat is only 0.90 Ha. which seems to be difficult to comply with the guidelines prescribed in the Enforcement & Monitoring Guidelines for sand mining published by MoEF&CC. The prefeasibility report submitted by the PP is very vague and does not establish feasibility of sand mining on the very small proposed area for 0.90 Ha.

In view of above SEAC-1 decided to recommend the proposal for rejection.

PP is advised to conduct a fresh survey for larger area in the same river bed and prepare pre-feasibility report to ensure its viability and feasibility for sand mining.

Minutes of 188th meeting of SEAC-1 (Day-2)
Date: 22nd to 24th July, 2020

Venue: Through Video Conferencing

RECOMMENDATIONS OF SEAC:

The committee's recommendations:-

After detailed deliberations, SEAC-1 decided to recommend the proposal for rejection.

CONCLUSION:

Reject
